Your Energy !

This year we have a pedal power stage in the Venue @ the Café. This will give you the opportunity to exchange some of your energy to help create an eco friendly 12-volt stage

Café Scene...

The café scene on camp plays an important role in providing a sociable space that lends an atmosphere of relaxed conversational exchange, dance, song and merrymaking. Providing hearty food from breakfast through to evening meals with a range of snacks available all day.

At the Music Camp we also have **The Venue @ the Café** This is a performance stage giving a wide range of artists the chance to explore their performance skills with a truly appreciative audience. The opportunity is available to all that would like to take to the stage in a supportive environment.
